Mr. Harold Weisberg
Route 8
Frederick, Md. 21701

Dear Mr. Weisberg:

In reply to your letter of August 2, 1975, I can only assure you that a review of our file discloses that we do not have copies of the documents you requested.

As you know the documents were included in those documents which were transferred to Mrs. Lincoln at the National Archives on April 26, 1965.

I know of no requirement that made it necessary for the Secret Service to maintain copies of these documents which were referred to another federal agency which is the designated repository of the documents in question; nor does the Secret Service have any information concerning any other agency which might have copies of the documents.

Very truly yours,

Thomas J. Kelley
Assistant Director
